The Grace Dear Trust

24 January 2019

Dear Graham & Hope

I wish to express my sincere thanks to you and to The Grace Dear Trust for funding the counselling training which Amanda Wild and Lorna Anderson are currently undergoing. Having completed and passed Level One they are both looking forward to progressing onto further and more advanced training.

Rosebery School is already reaping the benefits of this initial training and we are very grateful to The Grace Dear Trust for making this possible. Students' wellbeing and mental health is a main focus, particularly given that the last fifteen years have seen an unprecedented rise in reported mental health problems amongst young women. Being able to provide our students with counselling and support within school is hugely important and this will undoubtedly improve the lives of very many young people.

Thank you for your support of Rosebery School.

Yours sincerely

Ros Allen  
Headteacher
